GeisingerConnect/EMRlink Client Agreement

1. I am entering into this EMRlink Client Agreement (“Agreement”) as an EMRlink Client, as per the definitions included in the Handbook. The Handbook and the General Provisions provided me are also part of this Agreement, and I understand the Handbook may be updated from time to time.
2. I am entering into this Agreement as an agent of an EMRlink Client. I know that the organization or concern I represent is responsible for all Authorized Users, either employed or contracted.
3. I agree to protect patient confidentiality and ensure appropriate use of the Service by any employees or agents.
4. I agree to not change the Service software in any way. If I suspect any problems with the Service, I will inform all others to stop using it and immediately contact Geisinger to report the problem.
5. I understand that the Service belongs to Geisinger and can only be used by Authorized Users. Any use, copying, or other form of giving out the information contained in the Service is not allowed and may result in legal action against the User and/or the EMRlink Client.
6. I understand that Geisinger may stop EMRlink Client use of the Service at any time without notice.
7. This Agreement takes effect when signed and will be in effect for one year. After that time, this Agreement shall automatically renew for additional one-year periods.

I have read and agree to comply with the Agreement, Handbook and General Provisions. Any questions I had have been answered.
